

Medac

**Environmental Management System  
(UNI EN ISO 14001:2015)**

**The Environmental Management System**

The Environmental Management System is regulated by the voluntary international standard ISO 14001, applicable to all types of Organizations.

By implementing the standard ISO 14001, Medac ensures a sustainable development, preventative measures against pollution and the reduction of waste, the use of energy and materials, the full compliance of the legal requirements.

Medac has obtained the ISO 14001 certification from DNV, an independent international certification body and guarantees the perusing of the described requirements.
