

Medac

**Environmental Certification  
(UNI EN ISO 14001:2015)**

The Environmental Management System is regulated by the voluntary international standard ISO 14001, applicable to all types of Organizations.

By implementing the standard ISO 14001, Medac ensures a sustainable development, pollution prevention by reducing the amount of waste, the consumption of energy and materials, the full compliance of the legal requirements.

Medac has obtained the ISO 14001 certification from DNV, an independent international certification body and guarantees the pursuing of the described requirements.
