

**MID Policy
(EU Directive 2014/32)**

General Management has adopted a management system in accordance with Directive 2014/32/EU and is committed to:

- adopt the requirements set out in Directive 2014/32/EU throughout all stages, from design to production, of glasses with a fill line (mark)
- suspend the sale of CE-marked products if the product does not comply with the requirements established by the applicable regulations
- train all personnel directly involved in the application of the relevant regulations
- provide authority and resources, within Medac's capabilities and in any case sufficient to meet the requirements of the applicable regulations, to carry out tasks, including the implementation, maintenance, and improvement of the quality management system
