

**Ok compost Policy
(EN 13432:2002 / ASTM D 6868)**

General Management is committed to:

- implement the social responsibility management system in accordance with the requirements defined in the EN 13432 standard;
- use the “OK Compost” logo only in association with products that meet the minimum requirements set by the certifying body and by the relevant standards EN 13432:2002 (European) and ASTM D 6868 (American).
