

**Legality Rating Policy
(AGCM resolution of 12 November 2012 -
Implementing regulation on legality rating)**

General Management has adopted transparency principles regarding social and ethical issues in line with the AGCM Resolution of 12 November 2012 – Implementing Regulation on the Legality Rating system, and is committed to:

- ensure compliance with the requirements defined in the ANAC Resolution;
- apply the principles of transparency on social and ethical issues within corporate accounting and administrative procedures;
- assess ethical and social responsibility and promote continuous improvement.
